REFORMS

Of Russian Liberals Considered Untimely by Emperor Nicholas

WHO ORDERED DUMA PROROGUED

When It Was Found This Party Had Majority

RESIGNATION OF CABINET

Was In Consideration and Premier Hurried to Field Headquarters to Lay Situation Before the Czar—Middle of November is Time Set for Reconvening.

(ASSOCIATED PRESS TELEGRAM) London, Sept. 16.—Reuter's Telegram company's Petrograd correspondent telegraphs that the Russian Duma, will be prorogued today until the middle of November.

An imperial decree to this effect has been issued, the correspondent says, and was communicated last night by Premier Goremykin to the cabinet and to Michael Rodzianko, president of the Duma. The premier also conferred with the military and civil authorities of Petrograd and Moscow with regard to forestalling popular demonstrations.

Differences of opinion between the cabinet and the Duma have been clearly defined since the formation early this morning of a majority in the Duma of liberal and progressive elements.

The new majority put forward a program of important reforms, and it was reported that the cabinet might resign. Premier Goremykin went to the field headquarters of Emperor Nicholas to discuss the situation and on his return to Petrograd, it was said the government regarded the program of the liberals as untimely.

"There is no disguising the fact," the dispatch adds, "that the prorogation of the Duma is most unpopular. The radical paper Den, which has always been the severest critic of the Duma, says:

"The country was dissatisfied with the Duma, but it was her Duma, her organ, incarnating her hopes and her strivings."

President Rodzianko conferred today with party leaders.

DAUGHTER SHOT BY HER FATHER FOR A BURGLAR

(ASSOCIATED PRESS TELEGRAM) Cleveland, Sept. 16.—Maxine Rice, 6, shot by her father in mistake for a burglar, will recover, doctors at a local hospital said today. The child was shot early this morning when Billy Rice, her father, was awakened by his mother and told burglars were in the house. Rice saw a form moving about a lower hall and shot. The bullet struck the child in the head.

DISMISSED EMPLOYEE TO CONTEST PLACE.

(ASSOCIATED PRESS TELEGRAM) Columbus, Ohio, Sept. 16.—Otto Elzemann of Cincinnati, chief examiner of steam engineers under the state industrial commission, who yesterday was replaced by J. C. Callery, of Hamilton, was preparing today to contest his dismissal on the ground that he had been appointed for a term of three years which does not expire until 1917.

Elzemann reported at his office for work this morning.

American Cargoes Condemned By British Prize Court And Declared Forfeited to Crown

(ASSOCIATED PRESS TELEGRAM) London, Sept. 16.—The British prize court today condemned the greater part of the American products forming the cargoes of four steamships. The products, valued at several million dollars are declared forfeited to the crown.

The judgment was delivered by Sir Samuel T. Evans, president of the court. It involves the cargoes of the Norwegian steamships Kim, Alfred Nobel, Bjornstjerne Bjornson and Fridland. All the goods on these vessels, consisting principally of American meat products are confiscated with the exception of a small portion which the court released to claimants.

The case has been pending for several months. The steamships were seized last November and although efforts were made by the American owners to obtain an early trial the British authorities set the hearing for June. The hearing closed last month and judgment was reserved until today.

Heads Neutrality Board

James Brown Scott, former solicitor of the state department, is the head of the United States neutrality board, which passes on all questions of neutrality in which the United States is involved.

CHUBBY

LITTLE FISTS OF BARE BEAT PULPIT, EMPHASIZING SECRETARY'S APPEAL

For Aid for the Institution Where She is a "Basket Baby"—Akron Conference.

(ASSOCIATED PRESS TELEGRAM) Akron, O., Sept. 16.—Northeast Ohio Methodist Episcopal conference officials announced today that two of the most important events of the week, the election of delegates to the general conference and redistricting the churches of the state would not be brought before the conference before Friday. Conference candidates were still being heard this morning. Assignments will probably be reached this evening. Five classes have been taking the examination. At this morning's session J. B. Jones, field secretary of the Methodist Children's Home at Worthington, O., near Columbus, told of the work being accomplished there. Matilda Morefield, aged 8 months, one of the wards of the institution, laughed and waved her chubby little fists on the pulpit while Secretary Jones was talking. Little Matilda was a "basket baby," found on the doorstep of a Columbus home, seven months ago.

This afternoon and evening the anniversaries of the association of pastors of rural churches, the board of education, and the board of Sunday schools will be celebrated.

NEGRO METHODISTS OPEN CONFERENCE AT CINCINNATI.

(ASSOCIATED PRESS TELEGRAM) Cincinnati, Sept. 16.—The 85th session of the Ohio conference of the African M. E. church opened today in Allen Temple with Bishop C. T. Shaffer of Chicago, presiding. The leading men of the church present included Major W. T. Anderson, retired United States army chaplain, who President Taft made highest ranking colored chaplain in the army; Dr. R. C. Ransom, of New York, editor of the Review; Dr. James Wheeler, of West Virginia; Dr. R. Downs, presiding elder of West Virginia; Dr. O. E. Jones, of Lexington, and Chaplain T. G. Stewart, U. S. A., retired, of Wilberforce, Ohio.

DIFFERENCE

Of Opinion as to the Proper Rate of Interest on Big Credit Loan

FIVE PER CENT CONSIDERED SUFFICIENT

By Some While Others Believe Mammoth Issue

SHOULD BRING HIGHER

Financiers Doubtful Americans Would Subscribe to Straight Five Per Cent Loan Without Collateral at Par Value—Must Be Free From British Income Tax.

(ASSOCIATED PRESS TELEGRAM) New York, Sept. 16.—Members of the Anglo-French financial commission and American bankers working for the success of the proposed billion dollar credit loan to Great Britain and France have somewhat different ideas, it became known today as to some of the terms governing the loan, chief of which is reported to be the rate of interest. The commission is reported to believe the maximum rate should be five per cent. Many American bankers believe the mammoth issue should yield at least five and one-half per cent, while there is some talk of requiring six per cent.

A five per cent loan, the commission is reported as having said, had been sold at par or a shade under. Some financiers here are said to doubt whether the American public would subscribe to a straight five per cent loan without collateral, at more than 95, if that. This view, however, is not held by all the American bankers. The way of the commissioners in agreeing to pay more than five per cent interest if they were inclined so to do would be beset with obstacles in the opinion of some bankers who point out that Great Britain's internal loans have borne four and one-half and five per cent and that the bonds thus issued are subject to the British income tax.

Bearing in mind the prime necessity that the securities to be offered here for the billion dollar loan must be absolutely free from all British income tax requirements, these bankers point out that the terms Great Britain and France proposed to offer American institutions are infinitely better than those offered by the government to institutions at home. A possibility that obtained widespread discussion today was that payment for munitions of war would be excluded from the operation of the proposed credit loan.

Members of the commission seemed well satisfied today with the progress made thus far. Millions it was reported had already been secured, and more pledges were assured.

It developed today that not only had the so-called pro-German group of New York financiers failed to receive invitations to participate in the negotiations although the hint had been dropped that they would come, but members of the group had become convinced that no such invitations would be forthcoming. Standard Oil millionaires, including John D. Rockefeller, Jr., it was reported today are considering the terms of the proposed billion dollar credit loan to Great Britain and France with a view to participating. Details of the proposed loan have been placed before Mr. Rockefeller and his associates, it was said today, by J. P. Morgan, the fiscal agent in this country of Great Britain and France.

Neither Mr. Morgan nor Mr. Rockefeller would discuss the matter even to admitting they had met.

It was also reported that Mr. Rockefeller was asked to participate. However it seemed much more likely that Mr. Rockefeller had been simply told the chief details as proposed and that the matter had been left with him to analyze.

A persistent report was current late today that the commission had decided to limit the size of the loan to half a billion dollars, instead of the billion proposed at first.

According to this report, the loan would be in the nature of a joint obligation of Great Britain, France and Russia, would run six years and bear five per cent interest.

MONEY PANIC

Would Result From Loan of Billion Dollars, Thinkers Senator Lewis.

(ASSOCIATED PRESS TELEGRAM) Chicago, Sept. 16.—Senator J. Hamilton Lewis today made public a letter protesting against the proposed billion dollar war loan. He has sent the letter to Secretary of the Treasury McAdoo, and the federal reserve board. Senator Lewis said his purpose in making the letter public was so that the public could take counsel with the bankers "looking to the proper guardianship of the money of the people."

The loan he said would invite rep-

When a French Hero Comes Home

When a Frenchman returns from the front and takes a stroll down a Paris Boulevard he is beset by scores of pretty girls who insist on testifying their admiration. Some of the officers have flowers pinned all over their coats, making them look like large bouquets. The French women perhaps are more loyal to the army which at the front is saving their homes than the women of any other country at war.

Rumania Prepares for War; Germans and Austrians Have Massed Troops On Frontier

(ASSOCIATED PRESS TELEGRAM) Rome, Sept. 15.—(Via Paris, Sept. 16.)—Because of the concentration of Greek and Rumanian troops on the Bulgarian frontier, the Bulgarian foreign minister has instructed the representatives of that country at Athens and Bucharest, to request an immediate and definite explanation according to a Sofia dispatch to the Giornale d'Italia.

Press dispatches from Bucharest state that the Turks already have begun to carry out the provisions of the Turco-Bulgarian agreement. They have abandoned the barracks at Karagach and destroyed the forts on the right bank of the Maritza river, taking the guns and barbed wire to the Gallipoli peninsula.

The Bulgarian prefect at Stara Zagora has gone to Adrianople to arrange to take formal possession of the ceded territory in the presence of his Turkish and Bulgarian ministers on September 18.

The Turkish Vali of Adrianople has gone to Constantinople to obtain instructions from the Porte on the same subject.

The massing of German and Austrian troops on the Rumanian frontier has resulted in the Balkan nation making preparations for eventualities. A large part of her army already has been mobilized and reservists in other countries have been ordered home.

A steadfast refusal of Rumania to permit the transportation through her territory by Germany of military supplies for Turkey is supposed to have aroused the animosity of the central empires.

Recent advices from Rome were to the effect that negotiations were under way for the formation of a new Balkan league to be composed of Rumania, Serbia, and Greece. Bulgaria, however, is not included in the negotiations.

"TUBERCULOSIS WEEK" IS TO BE OBSERVED; PROGRAM ANNOUNCED.

(Associated Press Telegram) New York, Sept. 16.—Plans for a national medical examination day, a children's health crusade and a tuberculosis Sunday to be held during tuberculosis week, December 6 to 12, were announced today by the National Association for the study and prevention of tuberculosis.

The society will seek to have everyone, sick or well, visit a physician on examination day—December 8. Stores, factories and offices will be asked to have employees examined. Two days later school children all over the country will be instructed in healthful living.

SHOOTING

Ushered In "Mexican Independence Day" Along The Border

BUT NO SERIOUS DISORDERS REPORTED

Peaceful Celebration of the Holiday Anticipated

TWO MEXICANS ARRESTED

Found Heavily Armed, Were Chained to a Tree for Safe Keeping As No Jails Exist In Which to Keep Prisoners In Comfort and Security—Latest Mexican Border News.

(ASSOCIATED PRESS TELEGRAM) Brownsville, Texas, Sept. 16.—Beginning at last midnight the start of Mexican Independence day, there was much shooting and shouting along Mexican side of the river but no disorders were observed and nothing in the nature of a threat toward the American side of the river. All early reports to the army and civil officials indicated a peaceful celebration of the holiday by Mexicans of this section.

Mexican soldiers concentrated at Matamoros today for a forenoon parade. Band concerts and dances attracted large crowds to that city.

Two Mexicans heavily armed and with a considerable quantity of ammunition were arrested near Armstrong late yesterday. The Mexicans were chained to a tree for safekeeping while in custody at Armstrong. Jails where prisoners can be kept with both security and comfort do not exist except in large towns.

Bandits believed to be those who recently killed two American civilians were discovered today on the Fresno track a few miles north of here. Fired on by a party of citizens and soldiers, the Mexicans fled, leaving a trail of blood. They were being pursued through the brush today.

ADVICE TO CONSULS TO LEAVE MEXICO BEING CIRCULATED

(ASSOCIATED PRESS TELEGRAM) Washington, Sept. 16.—The state department's advice to Americans to leave danger zones in Mexico was being circulated today through the northern part of the republic, and United States consuls were under instructions to quit their posts whenever conditions became threatening. The advance of Carranza troops into the northern states making fighting imminent, and reports of lawlessness along the frontier were reported for the precautionary measures.

The Villa agency in Washington forwarded to the state department a communication inquiring into the government's reasons for the step. It declared there had been no depredations in territory controlled by Villa in northern Mexico and that Villa had provided ample forces to safeguard foreigners.

LIMA OIL PRICE UP.

(ASSOCIATED PRESS TELEGRAM) Lima, O., Sept. 16.—Lima Oil is up five cents on all local grades, North and South Lima crude now selling at \$1.08. Indiana and Wooster followed the rise on the Lima market and Princeton and Illinois at Findlay, are also five cents higher. Southeastern Ohio is quiet.

Granville Couple Injured When an Auto Turns Turtle, Pinning Them Beneath It

(Special to Advocate.) Mt. Vernon, Sept. 16.—Mr. and Mrs. Charles Deeds of Granville and five others, friends, occupying seats in the Deeds automobile, were injured early today when the machine plunged off a culvert near Centerburg, Knox county. Besides Deeds, those injured were: Mrs. Deeds, his wife, Charles Greer of Condit, Dr. and Mrs. W. L. Mills of Centerburg, and Mr. and Mrs. George Mills of Centerburg. Mr. Green suffered three broken ribs and internal injuries.

In attempting to pass another machine Mr. Deeds drove off the culvert. The automobile overturned, pinning all its occupants beneath it. The party had been in Mt. Vernon attending the Barnum & Bailey circus in the evening and the accident occurred as the machine neared the village of Centerburg, in the southwestern part of Knox county, a point known as the Mortley crossing.

Approaching another machine, headed in the same direction, Mr. Deeds attempted to pass it. The wheels of the big touring car dropped into a culvert, treacherously con-

RUSSIANS

Showing Increased Disposition to Assume Offense On Eastern Fronts

PRESSING ATTACKS ON AUSTRIANS

And for the Most Part Holding the Germans

OPTIMISM OF KITCHENER

In Saying the Germans Had "Shot Their Bolt," is Said Not to Be Based Upon Incaution But Upon Fact, As Von Hindenberg's Impetuous Drive is Losing Its Vigor.

(ASSOCIATED PRESS TELEGRAM) London, Sept. 16.—Co-incident with Earl Kitchener's optimistic remarks in the house of lords, concerning the position of the Russian armies, they are showing an increasing disposition to resume the offensive at many points of the eastern front. They are not only pressing their attacks against the Austrians in Galicia, but for the most part are holding up the German rush in mid-Poland.

The Russians assert they have thrown back the invaders near Sviatsany, where the German cavalry cut the Petrograd railroad between Dvinsk and Vilna, although the Russians apparently are holding their opponents in check in this region.

Counting their captures in Galicia, the Russians lately have been taking more prisoners than they have been losing. In England hopes are rising that Earl Kitchener did not make an incautious prediction when he declared Germany had shot her bolt, but that his statement was based on fact.

It is said here that Von Hindenberg's drive is losing its vigor, while Von Mackensen is striving, to overcome the difficulties of the marsh country and the Australians appear to be unable to regain the upper hand in Galicia.

The Balkan situation has not reached a settlement. The British press views Bulgaria's attitude with some anxiety.

"Bulgarian aims," says the Manchester Guardian, "form the subject of increasingly anxious thought by the entente powers."

INVESTIGATING SINKING OF A LAKE STEAMER

Cleveland, Sept. 16.—The crew of the steamer Onoko which sank in Lake Superior yesterday will be examined here today to learn whether there is any ground for the suspicion the Onoko was sent to the bottom to prevent delivery of wheat for shipment to the allies. George Steinbrenner, manager of the steamer, will conduct the investigation and if evidence warrants, will ask the federal authorities to act. Steinbrenner received word from Captain W. R. Dunn that there were indications the Onoko's plates had been loosened.

FRENCH VETERAN OF 1845 IS DEAD

Paris, Sept. 16.—Announcement is made of the death of Bugler Roland, sole survivor of those who took part in the battle of Sid Ibrahim, in 1845, in the French war of subjugation in Algeria. He was 95 years old, and was decorated a few years ago with the medal of the Legion of Honor.

TODAY'S COUNT SHOWS CHANGE IN STANDING

LARGE NUMBER OF VOTES CAST YESTERDAY IN ALHAMBRA CONTEST

Young Woman Receiving Biggest Vote Will Be Ruth in a Newark Photo-Play.

The count of votes in the Alhambra "Who will be Ruth" contest shows quite a change in the standing today. Miss Woolees who was fourth yesterday, is now in first place. Miss Stone who had been in first position for several days, exchanged places with Miss Woolees. Miss Hayes remaining in second place and Miss Besuden in third position.

The first five in the contest are very close together—a difference of only 63 votes while the difference in standing among the first four contestants is only 33 points.

Manager Siebenoller of the Alhambra theatre announces the following vote up to last night:

Miss Decima Woolees	389
Miss Marguerite Hayes	386
Miss Annette Besuden	374
Miss Florence Stone	366
Miss Myrtle Duerr	320
Miss Dora Siegel	279
Miss Tillie Jennings	253
Miss Grace Nolan	157
Miss Hazel Athey	101
Miss Agnes Donovan	86
Miss Blanch Frost	85
Miss Bernice Floyd	84
Miss Anna McCarthy	58
Miss Carrie E. Greco	57
Miss Irma Alspach	57

Yesterday's vote was large but as friends of the several candidates are busy collecting coupons the size of the vote promises to increase.

No nominations can be made after next Saturday night, Sept. 18. Up to that time the reader may write any name desired upon the coupon appearing in this paper. The Alhambra management reserves the right to reject any nomination made.

After the nominations are closed the contest will continue until next Wednesday, Sept. 22 and the young woman who at that time has the largest vote will be named "Ruth" in the Alhambra motion picture. The next ten highest will be in the cast. Experts will take the picture. The experience will be valuable and interesting to the eleven young ladies in the cast. The picture will be shown for six days at the Alhambra theatre.

Remember all nominations must be made this week. The contest ends next Wednesday. Clip the Advocate coupon now and vote for one of the young women above named or for one of your friends who has not as yet been nominated. Who will be Ruth?

rubber, described as gum, the president said: "I have come to the conclusion that gum is not a true commercial description for rubber and that it was used in the ship's manifests in order to avoid the difficulty which would result in its capture by a beligerent. Any concealment of this sort will, while I sit in the prize court, weigh heavily against those who adopt such courses."

"Neutrals are expected to conduct their neutral trade during the war without false papers and with candor, and belligerents are entitled to expect from neutrals a frank course of conduct."

The meat cargoes shipped for the most part by the great American packing companies, and valued by them at \$15,000,000 were found by the president to be destined, except for some small items, not for consumption in Denmark, but for delivery in Germany. He held that their eventual destination was the German government for the use of its naval and military forces.

The court disallows sixteen claims, including those of the Morris, Armour, Hammond, Swift and Sulzberger companies. It allowed eight claims, including that of the Cudahy

company of Chicago, the others were Danish consignees. Sir Samuel gave leave to appeal, fixing security for the costs at \$25,000, divisible among the applicants.

MEAT CARGOES WILL BE A TOTAL LOSS

(ASSOCIATED PRESS TELEGRAM) Chicago, Sept. 16.—The meat cargoes confiscated by Great Britain will be a complete loss to the packers, according to Thomas E. Wilson, president of Morris and Company, as there were no advance payments made on the shipments. He will issue a statement later today.

NO SURPRISE AT COURTS FINDING

(ASSOCIATED PRESS TELEGRAM) Washington, Sept. 16.—State department officials were little surprised at the finding of the London prize court in the American meat cargo cases. Whether the United States will protest will be decided later. The disposition has been to exhaust legal means before proceeding in diplomacy.

CURL HAIR THIS WAY AND KEEP IT HEALTHY

It has been found that the occasional use of a harmless and inexpensive fluid which druggists know as "Sulmerine" will keep the straight hair in curl perpetually, giving the appearance of the hair softer and glossier than possible with the heated iron. The fluid may be applied with a clean tooth brush, the hair being drawn to the hair from crown to tip and allowed to dry over night. In the morning the hair will be beautifully wavy and curly and will be easily and loosely on the head, as it should, considering its welfare on a hygienic standpoint. A few ounces of liquid sulmerine will last for months and as it is really beneficial to the hair, which cannot be said of the heated iron, it will not be generally adopted by the fair sex. It will not spot or discolor scalp or hair, nor leave any sediment, grease or stickiness.—Home Doctor.

etition of the panics of 1873 and 1893. In the course of his letter the senator says: "The amount demanded by these financiers of Europe is \$1,000,000,000."

The statement from two official bankers of the government is that the amount of usable money in America for America in excess of reserve and money already obligated is \$2,000,000,000.

It will be seen that if the billion sought goes to England bankers one-half of all the available cash for America is taken from the American people. This at a time when the American people and the American government have no real source in the world to resort to in the event of any emergency breaking upon the United States.

The effect of this foreign loan would be to take \$1,000,000,000 from our people of their own money and lend it to nations who are spending \$15,000,000 a day. In sixty days all of that money will be spent by the foreign nations and we will have in its place securities of two or three countries issued upon a credit already taxed beyond its resources and we will have no authority by law to collect the collateral.

This condition would bring on a crisis in this country such as occurred in 1873 and in 1893, when panics were brought on America by sending our money out of the country to bolster the falling fortunes of Europe.

Remember, we never recovered that money. We got securities in concerns that went into receivers' hands, and bankruptcy as collateral or payment for those lost millions.

Now if it be said that our people do not need the money at home and that it should be lent abroad, then I suggest that we lend it to South America. There we would have a chance to build up trade and we would get a collateral and security resting on empires of valuable land.

MILITARY HONORS WILL BE ACCORDED FORMER GOVERNOR

(ASSOCIATED PRESS TELEGRAM) Eaton, O., Sept. 16.—Military honors will be accorded Col. Andrew L. Harris, former governor of Ohio, at the funeral which will be held this afternoon. Company F, third regiment infantry, O. N. G., will act as guard of honor, and a provisional regiment, including Companies E, F, G, H, K, and C, of the Third Regiment also will be in attendance. The services will be conducted by the Rev. McD. Howsare of the First Christian church and the Rev. Geo. Smith, former pastor of the Eaton Methodist church. Governor Willis will deliver an eulogy. The honorary pall-bearers will include Governor Willis and former Governors Campbell and Cox. General A. B. Critchfield, Major George B. Cox, Captain E. R. Morritt, Major W. H. Orr, S. J. Pickinger and John Duggins.

DAUGHTER FINDS MOTHER DEAD IN MASSILLON HOME

Mrs. Albert Ginter, 418 Maple avenue, this city, arrived in Massillon at noon Wednesday to visit her mother-in-law, Mrs. Crescentia Ess, and upon reaching Mrs. Ess' home, found the aged woman dead in a doorway where she had fallen from a stroke of apoplexy. A telegram from Massillon received late yesterday advised Mrs. Ginter's husband of the facts and he left Wednesday night for Massillon to attend the funeral. Mrs. Ess' death was entirely unexpected. Relatives who met Mrs. Ginter at the train, left Mrs. Ess apparently in her usual good health. She was 71 years old. Besides Mrs. Ginter she leaves six other children. Funeral services will be held Saturday morning and burial will be made at Massillon.

COUPLE TRAVELS OVERLAND FROM FLORIDA TO OHIO

Journey of 1500 Miles to Establish New Home—Find Friends Here.

Levi Slayman and his wife, former residents of Florida are on the last leg of a journey from the southern end of the peninsula to a new home which they will establish near Beech City, O., a village of Stark County. They passed through Newark Thursday morning and stopped at fire headquarters long enough to learn that the kindness and hospitality of their southern neighbors was not greater than that of those living north of the Mason and Dixon line.

The couple was travel worn and weary. The horse, turning five year old," Mrs. Slayton said, was much the worse for the journey. Among the fire laddies on duty at headquarters, they found warm hearts.

The horse was lame from a nasty cut on one of its legs just above the hoof as a result of improper shoeing and realizing that the success of the journey depended upon the animal, the firemen insisted upon doing something for the animal. The stables of the fire and police departments contributed two discarded boots which were fitted upon the animal's legs furnishing the protection needed.

The firemen themselves showed their sympathy in a more material way by providing a little money to purchase food, the man and wife declaring that they had been without edibles for two days.

Mr. and Mrs. Slayton talked entertainingly of their long trip through Florida, Georgia, Tennessee, Kentucky, Indiana and Ohio. They crossed the Ohio river at Louisville. Their destination will find them near the old home of Mr. Slayton. Mrs. Slayton is a southern woman. The journey from Bradenton, which they left July 1, to Beech City which they expect to reach next week, will have covered more than 1500 miles.

Though not blessed with much of this world's goods, the couple is happy, hopeful and full of optimism as to the future. Their only companion on the long trip was a terrier dog.

OPENINGS WERE ATTRACTIVE AT MILLINERY STORES

The extreme heat did not seem to affect the inspiration for beauty, which is being displayed today in the fall openings in the millinery shops of the city. Never was there such a galaxy of attractive and original windows, and such a showing of beautiful bonnets.

Madame and mademoiselle may find with equal ease beautiful hats becoming to their varying years. The hats are large, some extremely so, again they are small and extremely so. Black velvet seems to predominate, but there is also a large showing of a deep purple shade.

Simplicity seems to be the object to strive for and many have but a single ornament, or a bit of hand embroidery. The style of the hat seems to be in the art of placing it on the head and all are exceptionally chic.

Departing from the usual display the Bonnet Shop in the Arcade showed their fall styles on a living model. Miss Iva Gard, an exceptionally pretty young woman of this city. The window was arranged to show a corner of a boudoir and Miss Gard displayed the hats there during the afternoon and evening.

The other windows were arranged to harmonize with the fall season, the fall flowers being used in profusion in the windows with the beautifully arranged millinery.

CHURCH OF CHRIST MISSION WORKERS HOLD CONVENTION

The Mission Workers of the Church of Christ are holding a convention in Zanesville today and tomorrow. The sessions are of the first missionary district including Columbus, Newark, Mt. Vernon, Lancaster and Zanesville, and will be held in the new Church of Christ on McIntire avenue, Zanesville. Rev. Hugh Wayt, pastor of the church is president of the district. It is expected that 125 delegates will be present and officers will be elected at the closing session on Friday afternoon.

APPLICATIONS FOR SALOON LICENSES ARE 66 IN NUMBER

In this edition may be seen a list of the 66 applicants for Licking county liquor licenses. The time for receiving their applications expired last night. Commissioners O. C. Larason and Ray Martin say that under the law Licking county is entitled to 62 saloons. Of this number not more than 57 may be in Newark. Utica is entitled to four saloons but has made application for three. Mr. W. E. Hopkins will give a talk on "The Work of Associated Charities" next Sunday morning at 10:30 o'clock at White chapel. A woman arrested for disorderly conduct was fined \$50 and costs and ordered to leave town before Friday night.

True Secret of Keeping Youthful Looking

(The Beauty Seeker.) "The real secret of keeping young-looking and healthy," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these requisites, no matter what products remain in the system, polluting the blood and lodging in various organs, the joints. One becomes lumpy, obese, nervous, mentally sluggish, dull, tired, irritable and sallow of face. "But to get liver and bowels working as they ought, without producing any after-effects, has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though of course it is not to be classed with the real calomel of medicine. There is no habit-forming constituent in 'Santal' tablets—that's the name—and their use is not followed by any constipation, or any other undesirable result. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall, and the habit of taking them may be procured from any drugstore—a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

Chief Cause of Pimples, Blisters, Sallow Skin

(Messenger of Health.) Unsightly eruptions, pimples, blotches, sallowness or muddy skin, usually are due to a sluggish liver, a constipated bowel and a polluted blood stream as a consequence. How foolish in such cases to resort to outward applications, which can never have natural, permanent results. If more people only knew it, there is a very simple remedy, to be found in any drug store, which is so effective, it is harmless and quick acting. It is an old formula, long recognized by the medical profession, which has been in tablet form, and at such small cost no one need now be deprived of its wonderful benefits. "Santal tablets"—that's the name—are entirely vegetable and there's no habit-forming ingredient. You need only take one or two tablets, and swallow one at bedtime to realize there's nothing else quite so good for the purpose. The action in the morning is so easy, so soothing, and instead of a weakening after-effect, you feel truly refreshed and invigorated. Santal tablets are not one of the most recently known or startling, most sensible treatment for complexion difficulties of the character mentioned.

Great Demand for New Constipation Remedy

They say that the advent of the "santal" tablet as a vegetable substitute for calomel has resulted in an extraordinary demand for this remarkable product. It seems to have made a hit particularly with the army and navy, where constipation, who were quick to recognize its advantages over calomel and the usual laxatives.

Santal tablets, aside from their efficacy, doubtless owe their success largely to a tendency to aid in bringing about natural functioning—instead of enervating the "catarrhic habit." Also, instead of injuring the membranous lining of the organs involved, they exert a soothing influence. Instead of weakening, they add tone to the intestinal wall. And they work so easily and without any constipating course preferred on this account to the violently acting purgatives. Their inexpensiveness is another reason for their popularity of santal tablets. One need procure only a dime's worth, and take one tablet upon retiring, to be convinced that the ideal remedy for constipation, torpid liver, and their many evil consequences, has finally been found.—Druggists Review.

FAVORITES ARE BEATEN EASILY

BY MISS TRETTE.
Cleveland, Sept. 16.—Miss Tretta, owned by J. V. Morris of Cleveland and driven by Harry Eyster of Youngstown, won the 2:26 trot yesterday at Cranwood when every other horse in the race was heavily played. Miss Tretta is a half sister to Stafford and, while he may not have great speed, she has a good way of going and won the race in clever style. Nancy Kay, the reputed bad actor, caused an upset in the 2:16 pace when she beat Kitty Bannerliss in a lively contest. Trojan won the third heat in a spirited dash to the wire with Comet and Don Wilkes. Nancy led into the stretch, but apparently faded from excessive arm power. Baby E won the 2:19 pace.

DIRECTUM

ESTABLISHES NEW WORLD'S RECORD, PACING MILE IN 1:56 3-4

Peter Volo Also Equalled His Own Record of 2:02 For Trotting Horses.

Syracuse, N. Y., Sept. 16.—Directum 1, champion pacing stallion, established a new world's record of 1:56 3-4 for a mile paced without windshield at the New York State Fair here yesterday afternoon. In so doing he lowered his own record of 1:58 that was made in Columbus almost a year ago. Another world's record was lowered when Captain David Shaw of Cleveland drove Peter Mc in 2:06 1-4, a new mark for an amateur driver upon a mile track.

In addition to the breaking of two world's records, the world's champion 4-year-old trotter, Peter Volo, 2:02, also driven by Thomas Murphy, equalled his own record, negotiating the distance in 2:02 flat.

Directum 1 got away to a splendid start in his phenomenal mile. Paced by a running horse, the big chestnut pacer fairly leaped over the ground, reaching the half-mile mark in 58 1-2 seconds.

Captain Shaw, the oldest driver in America, sent Peter Mc away under perfect motion and not the slightest semblance of a break marred this performance.

Peter Volo's record-breaking feat was less spectacular than that of Directum 1 and Peter Mc. Reaching the half-way mark in 1:04 1-4, the big brown trotter was forced to go at a two-minute clip for the remainder of the distance to equal the mark.

While the exhibitions attracted unusual interest, the series of five professional races were keenly contested, with the exception of the \$10,000 Empire State stake, which Peter Scott, with Murphy driving, won in straight heats. Worthy Prince was a strong contender in the first and third heats, but could not follow the fast pace set by the winner in the stretch. Bronson finished second in the second heat after a thrilling drive up the stretch, which brought the crowd to its feet.

Murphy also won the American horse breeders' 2-year-old futurity in straight heats with Walnut Tree. Only four horses faced the starter.

"Pop" Geers, the dean of American drivers, took the Chamber of Commerce \$5,000 stake after losing the first heat. Russell Boy, the winner, finished sixth in the first heat and the result came as a great surprise. Geers also annexed the Kae-Noo-No stake, driving Deyou to a straight-heat triumph with little opposition.

In the final event, the 2:03 pace, which was unfinished owing to a heavy shower, Geers took the first and second heats with Napoleon Direct. Earl Jr. captured the third heat.

The track, according to horsemen, was the fastest of the season.

Today, William, will be driven by C. K. G. Billings, in an attempt to lower the pacing record to wagon of 2:01 1-4. Uhan will also give an exhibition under saddle, being driven by Billings. The other events on the program are the unfinished 2:03 class for \$1,000; 2:20 class trot for \$2,000; the 2:18 class pace for \$1,000; 2:06 class pacing for \$1,000; 2:13 class trot for \$1,200, and two amateur wagons to carts.

FRANCE TO CALL YOUNG MEN OF 17 AND 18 YEARS

(ASSOCIATED PRESS TELEGRAM)

Paris, Sept. 16.—Parliament on reassembling today will have to consider among various important measures the calling to the colors a contingent of 400,000 men who in time of peace would begin military service in 1917. They are 18 and 19 years old.

The bill will be presented in the name of President Poincare. A memorandum written by Minister of war Millerand dated September 10, accompanying the measure says:

"Today, the contingent of 1916 completed their training. They now are in their camps awaiting employment. They will be sent to reinforce the armies in the course of the autumn."

"It appears now to be necessary to anticipate in the event of the need of the contingent of 1917 for next spring. The minimum time for training is five months. It will be necessary therefore to call out this contingent in October or at least in November."

The bill also authorizes the government to retain at its disposition the class of 1888 which under the old laws would be automatically released from obligation to serve. These are men of 48 years of age.

ROWE INSIDE THE MONEY TWICE AT MANSFIELD RACES

Mansfield, Sept. 16.—Only two races were on today's program at the Richland County fair and favorites were winners. After being fifth in the first heat of the 2:30 trot, Repose won the next three heats easily. Bessie N driven by Curt Rowe walked away with the 2:27 pace in straight heats. Robert C driven by Rowe was second in the 2:30 trot.

By a new process, originating in England, a steel is produced which is said to be proof against rust, stain and tarnish.

COUNTY FAIR

TO BE HELD THIS YEAR IS EXPECTED TO ECLIPSE PREVIOUS ONES.

Elaborate Preparations are Being Made for Event Sept. 28-29, 30, and Oct. 1.

Just two weeks intervene and the 68th annual fair of the Licking County Agricultural Society will be on.

For two months the board has been preparing for the event and the grounds, thanks to their efforts and the fine sod and shade of the historic grounds will be in the finest form ever. The board has placed a lot of seats around on the earthworks and the sods have been trimmed and cleaned.

The Licking county fair is well appreciated by former residents of the county who have located in distant parts of the country. It is in reality the great annual home coming for the people of central Ohio. This county has nurtured and sent into the world and its activities thousands of people who look fondly back and when they can take advantage of the annual home coming to restore old acquaintances and meet all with the minimum of effort and expenditure of time. But the fair management has kept it modern as well and this will answer for the fact that the Licking county fair as a fixed institution has lived and still draws.

When the fair was first instituted a good portion of the face of the county was covered with timber. The fair was only reached by the county roads and the Ohio canal. Now it is reached by eleven divisions of railway, by good county roads, ample street car service, jitney busses or private automobiles. It is possible now to fill the immense grounds and empty them in a matter of minutes and without hurry or crowding. In the earlier years of the fair many people came in covered wagons and one day at the fair meant two days on the road coming and returning.

The fair has kept pace with modern progress. With a population in Newark now twice the population of Licking county in 1847 the class of exhibits, methods of transportation and the public taste have changed with the increase of population and the enlightenment of the age. There is no county in the state of Ohio where the grange idea is better developed and finds better expression than Licking county. This year it is assured the granges of the county will show goods for the faith which is in them.

Ample room has been provided for their exhibits in the chemistry of kitchen and dairy and the products of field and garden. Last year the exhibits of the granges astonished even those who had little or no interest in the movement and a rivalry between the organizations added zest to the entire show. Licking county has an intelligent as well as large population and the economic problems of big business are being grasped by the farmer element in this the greatest agriculture county in the western hemisphere.

One of the improvements made this year by the board is the placing of seats on the south side of the earthworks and overlooking the sports which are held in the enclosure. Aside from the historic value of the remarkable works the Mound Builders, whether they designed it so or not, erected a mighty stadium. In hilly countries the topography of the country frequently does that but in the prairies and alluvial planes such can only be made at staggering expense of human thought and toil.

That work has been done for us. Under a mighty timber which still delights the senses there a hundred thousand people can sit at ease and see all the sports of this ancient and modern arena.

Remember the date of the fair, Sept. 28, 29, 30 and October 1. Remember too that there will be many thousands of people on the fair grounds this year and it will be the opportunity of the year to cement old friendships.

Obituary

Savilla Ashbrook.

The dance craze must be dying down, as you can still dance in September the steps that were fashionable in August.

The public feels lots more confidence in the corporations that make elaborate financial reports, even if no one can understand what they mean.

The Washington government has concluded that the genius and talents of Ambassador Dumba are wasted in the unappreciative United States.

There is complaint that it is impossible to get automobiles delivered as fast as people want them, but no such trouble is encountered in buying farm tools.

The financial writers complain that there is no snap to the stock market. That comes when the little woolly lamb ventures his head in the bear's mouth.

There is a growing feeling in this country that it is not necessary for the fall styles in school text-books and methods to change quite as often as women's fashions.

When the girls set out for a ride on a back seat of an automobile, they don't seem really satisfied with their appearance until they get a good end of gum started.

Few gardeners follow the injunction to cut the weeds before they go to seed, as that work has to be done right off, while the seeds won't come up until next year.

The last government report shows that prospects keep improving, and the producers have got to do some hard thinking to give reasons for the customary advance in food products.

The parents that kick most violently about the work of the schools are usually the same ones who can't spare the time to go around once a year to see what the schools are doing.

The metropolitan newspapers jolly the papers of smaller towns because they sometimes print a man's name without any initials. The metropolitan reporters never do such slipshod work. If they don't know a man's initials, they can always make some up for him.

An Anti-Billboard Crusade.

There is a movement just now in the state of Rhode Island against roadside billboards, and the subject is getting a good deal of attention all over the country. Quite a number of states now have protection against billboards within the highway limits, but it has proved next to impossible to stop the erection of defacing signs on private property.

The practice among retail merchants of using these signs along highways seems to be decreasing. They appear to realize that there is a lot of feeling against this sort of

advertising, and that a merchant makes himself unpopular in this way. The worst offenders are national advertisers who string along prominent motor roads and railroad lines a row of these ugly signs which transform pretty country scenery into a sordid suggestion of commercialism.

In former days you could plant circus posters all over a farmer's barn by giving him tickets to the performance for his family. But today the enterprising farmer realizes that the appearance which his property gives to the passer-by is the best way to advertise his business. When a building is covered with patent medicine, circus, or other advertising, it looks as if the owner had no public spirit, as if he was hard pressed for money. The place is made unattractive to all who may visit it in search of farm products.

The same is doubly true of residence districts. You could lower real estate values 25 per cent in any locality merely by erecting a few ugly billboards. Similarly the removal of billboards will turn an unpleasant neighborhood into a home-like residence section.

The countryside along a railway line is defaced by these signs. The traveller looks at it as an uninteresting region, without local pride or appreciation of its own advantages. It would seem as if granges, boards of trade, business men's associations, and the like should try to start a national movement to get rid of defacing billboards.

"World-Mastership."

"There must be no world-mastership by any nation," says the Toronto Globe. "Not German, not Russian, not Oriental, not American and please God, not British. No nation is good enough to stereotype the national aspirations of humanity. No race is pure enough to make its life blood the motive power of the world. No people are so near perfection that their culture is fit to dominate civilization."

"Partnership, not antagonism! Co-operation, not conflict! Law, not force! Justice, not power! Equality for all, because mastership for none! For that Britain is ready to die. For that America ought to be fit to live. Nothing else is worth while. Nothing else matters."

That is a noble expression of a noble sentiment, in which the people of the United States most heartily concur. And what is more, there not only "must be" no world-mastership by any nation, but there isn't going to be. The time has passed for Roman Empires. The world is too big now, too intelligent, too proud and too powerful for any one country to govern all. There are too many great nations, eager and able to preserve their own freedom and ideals. If one becomes stronger than any other, and tries to extend its dominion to intolerable bounds, the rest will band together to suppress it.

The next three strongest nations of Europe combined to put down Napoleon's France. The same principle has been the basis of the "balance of power" so zealously preserved in recent decades. And we have seen how, when that balance was destroyed, and one power showed itself far stronger than any competitor, many nations have leagued against it.

Arguments of specific right or wrong, or of comparative merit of ideals and culture, haven't necessarily anything to do with the matter. Even though a nation's culture were beyond question, and its motives demonstrably pure and philanthropic, the others wouldn't stand for its dictation. There is too much democracy in the world.

H. G. Wells declares that there

are just two alternatives, now and hereafter, in the governing of mankind. Either there must be a republic of nations, preserving peace and order as we do among our own states—or there will be a chaos of warring communities and a breaking up of civilization. The latter alternative is unthinkable.

Civilization isn't going to commit suicide, any more than it is going to submit to the will of any single nation or race. Even while the world-war grows in scope and horror, we seem headed more definitely than ever toward Tennyson's "Federation of the World." The more lawless the belligerents become, the more all thinking men and women, even in the warring countries, long for the restoration of law. All the nations want peace—with freedom. And eventually they will probably get it. Instead of World-Mastership there may be a World-Citizenship.

Russia in the Past.

(Lexington Herald.)

From the great Asiatic invasion, 16 centuries ago though it be, Europe has never yet recovered. Over Europe proper the Huns swept like a besom of destruction, while the Finns and the Slavs settled in what is now called Russia. Along the banks of the Volga, Vistula and Elbe, where now thunder the cannon of their descendants, first settled the ancestors of the Bohemians, Bulgarians, Servians and Pomeranians. Of these the Slavs were agricultural people, and on the Dnieper built the now historic city of Novgorod, so recently surrendered to that half-Slavic race called Prussians, among the last of the European races to emerge from the forests into civilization. Into the life of the trade that was built up along the shores of the Dnieper came the ever-roving Norsemen, who traded from Constantinople as far north as their boats could go. Upon the unsettled and ever-warring tribes that had come hither from the Asiatic countries the Vikings made a profound impression, so great that they offered to Kurik, of the tribe of Russ—whence the word Russia—dominion over all the country if only he would drive out the marauders and restore peace. At Novgorod, grown to a city of 100,000 inhabitants, Kurik built a fortified castle and made of that historic city a Russian stronghold, superior in many ways to either Kiev or Constantinople.

Too Many Churches.

(Columbus Dispatch.)

Are there too many churches? Dr. Gladden told the Methodist ministers that there were, and his statement seemed to meet with approval. There are doubtless some persons who feel differently and would say that, since churches exert a good influence, there cannot be too many of them.

But there are a few of us who realize that a hundred people met in one room with a common purpose will feel more enthusiasm and exert a greater influence than the same number of people divided into four or five groups in the same number of rooms. Numbers begets enthusiasm, and enthusiasm makes influence. A church without enthusiasm is worse than no church at all. It is a blot on the escutcheon. It repels, instead of attracting. It advertises the misinformation that religion is for the few and that the few do not care much for the many. So it seems to a layman that, if there were fewer churches and a concentration of churchmen and women and a more fervent spirit, with a correspondingly greater activity, the whole church body would be more potent for good.

The cranberry crop is good, but the cranberry is, as usual, a partial failure.

Tank Beverly says he has no desire to criticize the plumber, but he has often wondered why, when the latter sets out to do a job of work, he doesn't take his tools along.

A plumber, by the way, is a skilled mechanic who sits on a soap box while his helper does the work.

It is difficult to say which is the more tiresome, a kicker or a salve spreader.

It is said neither Bernhardt nor Ellen Terry has a wrinkle. Eph Wiley says if that proves anything he is willing to concede it without an argument.

After looking your opportunity over you generally can decide whether to be courageous or merely judicious.

If a man decides to run a drug store he should make up his mind never to marry. No man can properly attend to a drug store and a family at the same time.

"What air them kitchenettes I hear tell of in the cities?" asked Deacon Hyperbole Medders, the somewhat honest agriculturist.

"They're the places, Uncle Hy," explained Upson Downs, his city nephew, "in which are molded or cast or somehow produced a flat-dweller's daily round of mealettes."—Judge.

Spirit of the Press

How Childhood Pays For the War. My opportunities were exceptional. I talked with a friend of my husband, a captain in the cavalry. "So you think the war has not changed us?" he said. "Come with me."

He took me to hospital after hospital. Outside, these looked as they had always looked; but once inside the doors, you saw that they were overflowing. Literally overflowing. They overflowed into the schools, which were full of wounded, nursed for the most part by volunteers from among the women of the city; and I was to learn later that nearly every schoolhouse in France was similarly burdened, education paying its tax to war along with all the other activities of life.—The Christian Herald.

Peace With Full Honor.

The United States has won a great diplomatic and moral victory in the square acceptance by Germany of those principles concerning neutral rights on the high seas for which our State Department has been contending since last February. To positive demand, firmly but courteously reiterated, and supported by the overwhelming preponderance of American opinion, the answer, most gracefully expressed in Count von Bernstorff's note to Mr. Lansing, is unqualified acquiescence; for the stipulation that liners carrying non-combatants shall not try to escape or offer resistance is merely the statement of a universally accepted rule of war. Ten thousand words could add nothing to the simple announcement that President Wilson has succeeded in the controversy in preserving for our people peace with full honor. The strain is over, the cloud has passed; and it would be ungainly, in welcoming now the result for which The Sun has hoped for the first, not to recognize the debt of gratitude due to the good sense and high estimate of the value of Berlin over the strongest temptations of military expediency.—New York Sun.

The State Fair.

The recent Ohio State fair, the newspapers unite in declaring, was the most successful fair in the history of the state, and those who attended are enthusiastic in their praise. Expressed without exception, expressed their satisfaction, while the state board of agriculture and all of those who under its direction had a part in the management of the fair, have to their credit a fund of good will that cannot be measured in dollars and cents or the contribution it assures to the success of future state fairs.

The liberal treatment of exhibitors was rewarded by the best display in all departments ever seen at the state fair.—Mansfield News.

Decency of Chicago.

Any progressive, un-elfish and candid American city feels a natural pride in every upward step of a sister city. This is the general sentiment of all that have noted the remarks of Clifford G. Roe before the recent International Purity Congress in Seattle, that Chicago, once accounted the most sinful spot in this country, has undergone a great moral development.

"In my opinion," said Mr. Roe, "Chicago is today morally the cleanest metropolitan city in the world. What has made it so? An aroused public sentiment, a quickened moral conscience, a deeper and truer conviction concerning the responsibility of citizenship."

The Chicago Herald declares that Chicago has little to learn in the matter from any of the cities of the world, and says the revolution is due to the better spirit of the time, which has produced "a state of comparative decency which is an honor to Chicago."—Pittsburg Dispatch.

Pointed Observations

The Colonel is certainly playing in hard luck these days. No sooner does he get one of his terrific blasts ready, to show how imbecile and traitorous is the foreign policy of the Wilson Administration, than something happens to make his bugle sound like a tin whistle.—New York Evening Post.

"Billy" Sunday, back from a good rest in the woods, is himself again. He spoke with Mr. Bryan at the Vinona (Ind.) Bible conference last Sunday. Billy indorsed the policies of President Wilson and said that all should now be Democrats. Mr. Bryan could at least go part way with him.—Springfield Republican.

It is an excellent thing to have a President who thinks with his brain, and not with his lungs.—New York World.

HARMON

WOULD SUIT PRESIDENT TO LEAD OHIO DEMOCRATIC TICKET NEXT FALL.

Former Governor's Strength is Contested on all Sides—Candidates for State Offices Bobbing up.

[Special to The Advocate] Columbus, Ohio, Sept. 16.—With the fall municipal election only "a stone's throw" off, candidates are beginning to spring up for various state offices next year, and there promises to be an exceedingly interesting campaign waged throughout the state of Ohio. These candidates are not waiting for the wet and dry issues to be solved this year, but are making themselves and their wants known.

The latest rumor has it that Congressman Foss will seek the senatorial toga on the Republican side. Others who have already announced that their hats were in the ring are Harry M. Daugherty, Columbus; Judge Woodmanson, Cincinnati; Charles Dick, Akron and one or two others not quite so well known. Ralph Cole is awaiting word from Governor Willis as to where he will throw his hat before announcing his plans for next year. Cole would like to make the race for governor in the event Willis goes after the presidential nomination. But Edwin Jones, chairman of the Republican state committee likes Columbus life so well that he would not be adverse to accepting the nomination, and a fight is expected.

Some of the close friends of Governor Willis indicate that he would be a suitable person to clarify the murky waters in the senatorial contest and want him to enter this fight. So far the governor has not found time to answer any interviewers of his future political plans.

And all the while that the Republican candidates are bobbing up here and there, the Democrats are just as busy. It is now said that Hamilton Deweese will go after the state auditorship, a position now held in a very satisfactory manner by one Vic Donahue, who is making himself pretty well known by chopping down the state expense bills.

Deweese is a close friend of Governor Judson N. Harmon, and the announcement at this time that he will enter the race for the state auditorship, indicates some say, that Harmon will be the candidate for governor. It is well known that President Wilson and Senator Pomerene would like to see Harmon lead the fight next year, and in the event that he does, it can be said now that there will be a "boss race" which will be worth watching, it doesn't make any difference whom the Republicans nominate. Governor Harmon is one of the strongest men in the state.

In connection with the state auditorship E. M. Fullington who held the office one term, and who was caught in the Democratic landslide four years ago, will be a candidate again. He is certain, however, to have opposition, and one of his strongest opponents will be William H. Phipps, former auditor of the Philippines under President Taft. Mr. Phipps was oil inspector, secretary of the state committee and is pretty well acquainted throughout Ohio, and will be a strong contender for the nomination if, as his friends say now, he will enter the race.

Matters politically are pretty well mixed up, and it is difficult to make any guesses on next year. The ring is full of hats, but the owners are hiding in the shadows, and it is a mighty hard thing to pick them out of the crowd. The year 1916, however, promises to be an unusually interesting one politically, and there will be a number of contests worth while.

Just what the Progressives will do is another question. Sherman Eagle, of Gallipolis, one of the wheel horses of the Roosevelt party was in Columbus the other day and gave vent to this significant remark: "I see that I am a Republican now. Well, nobody better try trade me off with out first consulting me," which would indicate that the head of the party might have said something about Mr. Eagle flying from the Progressive to the Republican party. Surely not a great distance to fly with such a name as that borne by the Gallipolis editor, lawyer and politician.

Uncle Walt

Who is this man of stately mien, who gains applause wherever he wends, who makes a hit in every scene, who has all people for his friends? The rich and poor, the high and low, behold his coming with glad smiles, the women say he is a jo, the merchant princes lift their tiles. He is no soldier, who in vain a million quarts of blood has shed; he has not cluttered up the plain with ricks and windrows of his dead. He is no statesman who has held a senate breathless while he spied, and he has never whooped and yelled throughout the broad Chautauqua field. He is no author, who has made a book with fire in every line, that made Gene Stratton Porter fade, and H. Bell Wright take in his sign. Who is this man of lordly air, whom all the people thus applaud, and greet with fervor everywhere, whenever he may walk abroad? Why does he cut such seeds of ice? What has he done that is sublime? He is the man who has the price—the man who pays his bills on time.

Society

The Home and Foreign Missionary society of the Lutheran church of Franklin township held its regular meeting at the home of Mrs. Tavenner Thursday. A very interesting session was held, including the election of officers for the following year and a miscellaneous shower on three of their former officers, Mrs. Barton Ewers, Mrs. Bert Watson and Miss Maggie Taylor. A very enjoyable time was spent by all present.

The officers for the coming year are president, Mrs. J. L. Watson; vice president, Mrs. F. H. Wilkin; treasurer, Mrs. J. B. Watson; corresponding secretary, Mrs. L. B. Dunim; recording secretary, Miss Maud Parr. The next meeting will be held at the home of Mrs. J. L. Watson, October 7.

Mrs. Fred Wright will entertain with a luncheon on Friday afternoon at her home in Eddy street.

On Friday evening Mr. Robert Kelley, Jr., of Superior, Wis., will entertain about twenty-five guests with a stag dinner party at the Warden hotel.

Mrs. Harry Cross entertained a number of friends today at her home in the Mt. Vernon road with a twelve o'clock dinner, complimenting Mrs. Arthur Gray of Pittsburg.

MILLER-FISK.

The marriage of Miss Goldie A. Fisk, daughter of Mr. and Mrs. Charles Fisk of Rocky Fork and Mr. John A. Miller of the same place, was solemnized Wednesday evening by Rev. W. D. Ward at his home in West Locust street. They were accompanied by Mr. and Mrs. C. D. Rice of Grant street, Mrs. Rice being an aunt of the bride. Mr. and Mrs. Miller will reside on one of the Fisk farms.

Among the out of town guests who will attend the Kelley-Webb wedding on Saturday evening are Mr. and Mrs. Houston Lowe, Mrs. Ella Lowe, Gunkel, John G. Lowe, Miss Ethel Stoddard, and Mrs. George Shaw Greene of Dayton. Mr. and Mrs. Robert Kelley, Sr., Miss Eleanor Kelley of Superior, Wis., Mr. and Mrs. Griswald Smith of Castleton, Vt., Mr. Thomas Simmons of Burlington, N. J., Mrs. J. M. Kennedy of Superior, Wis., Mr. and Mrs. Kennedy of Cincinnati, Mr. and Mrs. Julian B. Keohler and Paul C. Prentiss of Chicago, all of whom are registered at the Warden Hotel.

GUNDY-HILTY.

On Wednesday evening at 8:30 o'clock, Dr. L. C. Sparks solemnized the marriage of Mr. Christian D. Gundy and Mrs. Dora Bell Hilty, both of this city. The ceremony took place at the parsonage of the First M. E. church in North Fifth street.

The remainder of the week's social calendar will be featured by a number of pre-nuptial parties for the Kelley-Webb wedding, which will be solemnized on Saturday evening at 7 o'clock in the Trinity Episcopal church. The guest list includes a large number of out of town guests, for Mr. and Mrs. William F. Webb, parents of the bride, have made their home for several years in Cincinnati, and Miss Webb has been educated in the eastern schools and studied abroad.

Miss Sue Walker is entertaining with a luncheon this afternoon at the Country club for Miss Webb, and Mrs. J. S. Jones will entertain at her home in Granville with a dinner party this evening. The guests will be the members of the bridal party. On Friday evening Mrs. E. C. Wright entertains the bridal party with a dinner at her home in Granville street.

Asters and snap dragon in the varying shades of pink were used to adorn the luncheon table on Wednesday afternoon when Miss Hazel Althoff favored Miss Charlotte Thurston Webb, whose marriage to Mr. Robert Kelley, Jr., will be a social event of Saturday evening at the Trinity Episcopal church.

Miss Althoff's guests were: Miss Charlotte Webb, Miss Mary Sherwood Wright, Miss Sue Walker, Miss Martha Wright, Miss Annette Besuden, Miss Juliette Besuden, Mrs. George D. Upson and Mrs. Thomas Rolph of Cleveland.

Mrs. Frank Keller entertained the members of the Idle Hour club Wednesday afternoon at her home in South Third street. The hours were devoted to needlework and contest. Mrs. William Davidson and Mrs. Edgar English winning the prizes. A delicious luncheon was served at the close of the afternoon. The club will meet in two weeks with Mrs. Frank White on Penny avenue.

REPORTED LOST
IN DARDANELLES

[ASSOCIATED PRESS TELEGRAM]
London, Sept. 16.—The admiralty announced today that in all probability the British submarine H-7 had been sunk off the Dardanelles.

The statement follows:
The enemy claims to have sunk the H-7, Lieutenant-Commander Archibald D. Cochrane, off the Dardanelles, and to have taken three officers and 27 men of the crew prisoners. As no news has been received from this submarine since the fourth of September, it must be presumed that this report is correct.

EVAN WILLIAMS OPENS COURSE OCTOBER 22ND

PROGRAM AT HIGH SCHOOL WILL SURPASS THAT OF LAST YEAR

Schumann Quintette, Maud Ballington Booth, Col. Bain and Dr. Wirt to Be Here.

The High School entertainment course for the coming season will be up to the standard of last year, and probably will surpass last year's course. The season tickets are being delivered now by Robert Swingle to those who have subscribed for tickets. The reservation of seats will take place Saturday, Oct. 16, at Erman's Arcade Drug Store.

The first number of the course will be Evan Williams, Oct. 22. Mr. Williams is recognized as America's greatest tenor. He pleases the people of Newark last year so much that it seemed best to have him appear again this season.

The second number is the Schumann Quintette, Nov. 16. This will be the third successive season this musical organization has appeared on the course. Carl Lampert and his associate musicians, making up the Schumann Quintette, are having a conspicuous success in their presentation of classical music. They have made classical music popular.

The third number is Hettie Jane Dunaway, Nov. 30. Miss Dunaway is a reader of the first rank. Her interpretation of "Daddy Long-Legs" is a work of art and the introduction of musical accompaniments invests it all with an unusual charm.

The fourth number, Denton C. Crowl, a second "Sam Jones," will be Dec. 9. Those who have heard him say that he is the equal of Sam Jones.

The fifth number is Maud Ballington Booth, Jan. 18. Mrs. Booth is called "The Little Mother of the Prisons." More than 85,000 men while serving prison sentences have ascribed their complete regeneration to the volunteer Prison League which she founded. One prominent eastern man says, "Mrs. Booth is the only woman orator of a decade whom the public will turn out and pay to hear." She probably is the most beloved woman in the land and is certainly the most attractive of all women speakers.

The sixth number is Col. George W. Bain, the most noted man on the platform today. No lecturer in America has had a bigger hearing than this distinguished Kentuckian. He will appear Mar. 1.

Dr. Lincoln Wirt, who is studying the war situation in Europe, will be the seventh number March 17. Dr. Wirt was here two years ago and delivered a masterpiece on the "Frozen North" that will not likely be forgotten by those who heard him. His lecture alone ought to be worth the cost of the season ticket.

The last number, April 19, is the Metropolitan Grand Male Quartet. The personnel is to be the same as for several seasons past; Mr. Paul Chase, lyric tenor; Mr. Charles Neth, lyric tenor; Mr. Thomas W. Lane, basso cantante; Mr. John Eberly, baritone.

TEMPTATION IS ALWAYS CALLING UPON ALL SIDES

"Many voices are calling us today tempting us to lives of pleasure and profligacy," declared Evangelist Irwin at the North Side Church of Christ last evening. One still, small voice alone calls us to the moitions of conscience and duty. His text was Rev. 3:20, "Behold I stand at the door and knock: if any man hear my voice and opens the door, I will come in to him, and will sup with him and he with me."

The contest between the many voices on the one hand, and the one voice of the other was strikingly brought out by the speaker. After contrasting the manifold voices calling to wealth, society, fame and pleasure with the one still small voice calling to sacrifice and service the evangelist rather startlingly declared:

"If it were not for the Godless, empty lives some professing Christians live, the task of bringing this old world to Christ would not be as slow as it is. It takes more than a mere profession to bless the world. It is not enough to cry, 'Lord, Lord; but he that doth the will of my Father in heaven,' declared the Master. The doing is what counts. Persons feel highly honored to have some celebrated guest in their homes. Such a distinction can come to but few. But it is the happy privilege of every one to have Christ as a perpetual guest. 'If any man will hear my voice and open the door I will come in to him, and will sup with him, and he with me.'

"Some persons admit the Christ, but with reservations. They admit Him, but give Him the cold, spare room of the life. The proper way is to make Him a welcome Guest in every department of the house—in one's whole hopes, plans, ambitions and affections, and gladly become his willing, happy servants.

"If we admit Him now, He will admit us then. If we debar Him now, He must refuse us admittance there. The Crawford Sisters are constantly growing in favor as song leaders and personal workers, and the services in general are impressing the city for good.

FLOODS CAUSE MUCH DAMAGE IN SOUTHWEST

ASSOCIATED PRESS TELEGRAM
Kansas City, Sept. 16.—Flood conditions in southeastern Missouri, southeastern Kansas and points in northern Oklahoma, were little relieved today, although probably the heaviest monetary loss will be felt in the Joplin mining district, where operations are suspended. Much suffering, and damage to property have occurred at other points, especially at Iola, and Fort Scott, Kansas.

Each of these cities experienced a flood ten days ago, and were barely re-adjusted to normal when residences were again flooded by small streams which yesterday became raging torrents from a seven and one half inch rainfall.

Citizens committees worked throughout the night covering the cities in boats, seeking persons marooned by the swiftly rising waters. Public buildings and churches housed the flood stricken refugees.

GERMANS REPORT ENORMOUS TOTAL RUSS PRISONERS

ASSOCIATED PRESS TELEGRAM
Geneva, Switzerland, Sept. 16.—(Via Paris.) The number of Russians taken prisoners since May 1, by the Austrians and Germans is reckoned by La Suisse at 2,571,750. It is stated that 6,000 guns and 4,000 machine guns have been captured. The newspaper states that these figures have been compiled from official bulletins issued at Berlin and Vienna. It adds: The official Austrian and German figures given out prior to May 1, showed a total of 1,595,000 Russian prisoners, not including civilians or the dead and wounded. General Polivanoff, the Russian minister of war, informed the Duma that the total of officers and men at the front since the beginning of the war was 5,060,000. Consequently the present total of Russian forces is 1,093,250.

A NEWARK INTERVIEW

Mr. Starr Tells His Experience.

The following brief account of an interview with a Newark man over nine years ago, and its sequel, will be read with keen interest by every citizen.

C. L. Starr, harness maker, 89 Hancock street, Newark, says: "I suffered for years with backache and kidney complaint. The misery and weakness across my loins was with me night and day. If I attempted to stoop, a pain struck me and I almost fell. If I was in one position long, any move would be painful. I tried liniments and plasters and used doctors' medicine, but one box of Doan's Kidney Pills did me more good than all the others combined. They knocked the backache out of me and fixed me up in good shape."

After Passing Years.
OVER NINE YEARS LATER, Mr. Starr said: "When I see anyone suffering from kidney complaint, I always recommend Doan's Kidney Pills, for they have always fixed me up whenever I have had an attack of kidney complaint."

Municipal Bonds Safest of all Known Investments

The Security Municipal Bond Company offers carefully and conservatively selected Municipal Bond investments yielding profitable rates of interest on investments.

Municipal Bonds, that is, bonds issued by Cities, Counties, Boards of Education, Townships and other political subdivisions, are paid, both interest and principal, out of moneys raised by public taxation, and for their payment the faith, credit and resources of the public are pledged.

Being backed by the resources and taxing power of the public, Municipal Bonds are regarded by our most conservative financiers as the safest of all known investments.

Legally and properly issued Municipal Bonds are not only safe in every way, but they afford opportunities for exceedingly profitable returns on investments when the element of safety is considered.

The Security Municipal Bond Company carries at all times a large and varied stock of Municipal Bonds, and can supply its customers with gilt-edged securities to net them from five to six per cent on their investments.

The Security Municipal Bond Company, as heretofore announced, is composed of a syndicate of banks of Licking and Muskingum Counties, with large money resources dealing in Municipal Securities exclusively. It owns outright all of the bonds which it offers to its customers, and every issue of bonds is purchased first handed after the most careful and thorough examination of the security back of them.

Persons desiring safe and conservative investments, yielding profitable rates of interest should consult Mr. D. H. Pigg, who has entire management of the business of The Security Municipal Bond Company in Licking County. The company's offices are located in the Newark Trust Company Building, Room 703.

NO FUNDS

APPROPRIATED BY LEGISLATURE FOR BUREAU OF JUVENILE RESEARCH

Appeal Will be Made to the Public for Financial and Moral Support.

ASSOCIATED PRESS TELEGRAM
Columbus, O., Sept. 16.—The legislature having failed to appropriate funds enough to enable the department to properly prosecute its work the bureau of juvenile research, of which Dr. T. H. Haines of Columbus, is the head, and which is conducted under the direction of the state board of administration yesterday appealed to the people for financial and moral co-operation.

This bureau is an institution designed to prevent crime and save citizenship. It was started 11 months ago. During the short period that it has been in operation, more than 1,900 cases have been given mental examination by two measuring scales of intelligence.

The legislature has crippled the work of the bureau by failing to provide for its fled workers, Dr. Haines said. Only the sum of \$92.32 is available for their traveling expenses, which practically cuts off their activities. Several thousand dollars is needed to carry on the work.

"The actual saving of one boy to productive citizenship would be worth more than the \$9,500 of this year's appropriation for the use of the bureau," Dr. Haines declared. The bureau has accumulated facts which would result in saving scores, if these facts were intelligently used, at the present moment.

New Zealand has only one town with a population of more than 100,000.

FREIGHT TIEUP; LONGSHOREMEN GO ON STRIKE

ASSOCIATED PRESS TELEGRAM
New York, Sept. 16.—Loaded freight cars and thousands of tons of freight accumulated today in the yard and on the piers of the West Shore railroad at Weehawken, N. J., where a strike of 600 longshoremen and freight handlers began yesterday. Since the men went out on a strike the railroad officials discontinued efforts to unload the cars arriving there and the loading of the freight upon lighters, but policemen were protecting the property.

Much of this freight is composed of war munitions and intended for transfer by lighters to steamers for England and France awaiting cargoes in the harbor. Leaders of the Longshoremen denied that they were influenced by foreign agitators.

LINER ASHORE PROBABLY WILL BE TOTAL LOSS

ASSOCIATED PRESS TELEGRAM
Marseilles, France, Sept. 16.—The liner Euphrate, owned by the Messageries Maritimes has gone ashore on the Island of Socotra. Passengers and crew have been taken off by passing steamers. It is feared that the Euphrate will be a total loss. The Euphrate is a steamer of 6,876 tons gross, 447 feet long, with a beam of 52 feet. She was last reported to have sailed from Saigon, French Cochinchina, August 24, for Marseilles.

DEAD MAN NOMINATED.
Salisbury, Md., Sept. 16.—For the first time, probably, in the history of the state, a dead man was nominated for office in Tuesday's Democratic primary. Ernest A. Toadvine, who died suddenly Monday, was returned as nominated over J. Clayton Kelley for Clerk of the circuit court.

The Source of Vital Power

Nothing helps more to counteract the daily drain on human endurance than pure, revitalizing food.

Grape-Nuts

is concentrated nourishment made from whole wheat and malted barley.

It supplies all the nutriment of these whole-some grains, retaining all the vital body-building salts—potash, lime, iron, etc.—lacking in white bread and many other foods, but which are absolutely necessary to rebuilding of sinew, brain and nerves.

Grape-Nuts is partly predigested in its making—hence demands but little effort from the digestive organs.

Delicious and splendidly satisfying, it's the ideal school ration for children—a wonderful re-builder for adults.

Remington JUNIOR Typewriter

HERE is the typewriter for which you have been waiting. Here is a first-class typewriter, a genuine Remington Typewriter product, carrying the iron-clad Remington guarantee and embodying just the qualities you need.

Of course you need a typewriter. Everybody needs one. The time saved and the labor saved by the typewriter is a saving by you and by everyone who has writing to do. The price of the Remington Junior is \$50.00, cash with order. It differs from the standard hundred-dollar Remingtons only in these points: It is smaller, it is lighter, it is designed for the simpler uses, such as manuscript and letter-writing. But for these purposes it has no superior.

Here then is your opportunity—your first opportunity—to buy an absolutely first-grade typewriter at a low price. Better seize the opportunity and buy now. You need not wait to buy until you get all the money, for we have arranged special easy terms of payment. For \$55.00 we will sell you a Remington Junior on terms of \$5.00 down and \$5.00 a month. Cut out the attached coupon and send it to us with \$5.00 in cash, check or money order and we will send the machine.

If I retain the machine, I agree to pay for it an additional sum of \$50.00 in monthly payments of \$5.00 each.

Please send me booklet giving full description of the Remington Junior Typewriter.

In Milady's Boudoir

By Gwen Sears

We have all learned that the machine that does our sewing needs an occasional drop of oil. Just as the graphophone, or the typewriter or any other mechanical piece of machinery of our being, oiled and well groomed.

It behooves every fair one of us to add to our medicine cabinet in the bathroom, or our dressing table in the boudoir, a bottle of pure olive oil, a bottle of sweet almond oil and a bottle of almond oil. For a dry, lifeless skin, oil is the only effective remedy. A maid or matron who has such a skin must tone it up speedily, as wrinkles are the inevitable and early results to be expected. For her an oil bath twice a week will work wonders.

Olive oil is one of the best remedies ever discovered for dandruff and a dry scalp. The oil should be carefully rubbed into the scalp with the finger tips and allowed to absorb naturally. Within a few days this treatment should be followed by a soapy shampoo.

If your nerves are quite worn to a frazzle from social activities, and you find it difficult to sleep, even though your tired body cries out for rest and quiet, a few moments rub with olive oil on the soles of your feet will produce marvelous results.

Since wind is not the only enemy of beauty in the cold weather it may not be amiss to call your attention to the efficacy of oil as a preventative of spots on the face. Your sweet almond oil is what should be used here, and after beating the white of an egg until frothy, you should measure the result and add the same amount of the sweet almond oil. This mixture should be applied to the face each night and morning during the season of trying weather.

Every Day Etiquette

"When introduced at a dance to a young man who asks for a dance should I hand him my dance order or tell him the dances which are not taken?" was Sadie's query.

"After accepting you should hand your dance order to him. He can then see at a glance what dances are not taken and place his name in a vacant space," said her mother.

FEDERAL JURY GETS CASE OF DRUG PURCHASE

Samuel Harvey, colored, arrested here last week in connection with the purchase of drugs from a Chicago firm by illegal use of order blanks stolen from the office of Dr. W. E. Wright of East Newark, must appear before the federal grand jury, according to the decision of Federal Commissioner Prazier at Zanesville, yesterday. Following the testimony of a number of witnesses, Harvey was held to await the action of the grand jury. His bond was fixed at \$500. He was charged with forging the name of Dr. Wright in signing for a package said to contain contraband drugs, shipped from Chicago.

George Moore gave himself up to the police Monday. His bond of \$500 was furnished.

Reader's View Point

Give the Dog Credit.

Editor of the Advocate.
A recent news item carried the record of the achievements of Mr. Dog in Licking County. The record was incomplete. Mr. Dog not only settled for his ravages upon the flocks of the herdsmen but he also pays the Humane Society fund, provides the fine office rooms in the new Trust Building for the County Superintendent and leaves a residue in the County Board of Education fund of \$1037. Don't you think him a pretty good fellow?

This comes about by the co-operation of the school officials, county commissioners and humane society. Due credit should be given the County Commissioners for making excellent showing possible.

Yours very truly,

County Supt. Schools.

PROSPECTS

FOR BUMPER CEREAL CROPS ARE MUCH BRIGHTER THAN HERETOFORE.

Department of Agriculture's Monthly Report Shows Gains All Along the Line.

(ASSOCIATED PRESS TELEGRAM)

Washington, Sept. 16.—Material gains in the prospects for bumper cereal crops are disclosed in the department of agriculture's monthly crop estimates published today. The department says:

General crop prospects on Sept. 1 in the United States were favorable, being somewhat above the average. The corn crop improved slightly during August.

The forecast of total production, 2,985,000,000 bushels is 67,000,000 more than forecast a month ago, and 312,000,000 bushels more than the final estimate of last year.

The spring wheat prospects improved materially during August, the forecast of Sept. 1 being 322,000,000 bushels which is 15,000,000 more than the August 1 forecast, and 116,000,000 bushels more than the final estimate of last year.

The oats forecast Sept. 1 namely, 1,408,000,000, was slightly higher than the August forecast, and is close to the record crop of 1,418,000,000 bushels estimated in 1912.

Your Boys and Girls

In the darker ages of motherhood, babies were literally deprived of air. To this fact may be traced part of the white plague curse of today. This is a fresh air age. But this does not mean that a mother should go to extremes in supplying the air her baby needs, nor in hardening its body, as some faddists maintain. The baby should not be chilled nor exposed to a direct draught, but the air in the room should be cool and pure, not hot and fetid.

In this one respect, strangely enough, the city baby has the best of the country baby. The average city house is uniformly heated by steam or furnace and easily ventilated. The country and farm house is still heated largely by stoves. One room is very hot, others very cold. The warm rooms are places of refuge for the entire family and they are kept too hot; often every window is closed tightly and the air is sadly vitiated.

lence. H. L. Greenawalt, pastor.

One Newark Man Is Cool.
The Western Union brought the
following telegram to the Clouse &
Schauweker Millinery store, yester-
day: "Rush winter suit, rain coat,
high shoes socks, to Eagle Grove." Like
a chill breeze into this sultry
atmosphere came this message from
Minnesota where Arthur
Schauweker now is traveling. It is
needless to say that the next train
out carried a large sized package of
the needed articles from Mr. A. B.
Schauweker to his son.

The Hartford Fair.
The great and only World's fair
held at Croton last week was a big
success from every viewpoint. The
weather was fine on Friday and the
attendance almost a record breaker.
Johnstown was a devastated village
for everybody about took advantage
of the opportunity to go up and meet
all their friends. The Hartford fair
has been in existence for nearly sixty
years and gets better and better. The
officers and board may well be
pleased over the results of the last
fair.—Johnstown Independent.

Gas and Oil.
The Alexandria home company
completed the No. 1 John Thrap in
Liberty township, yesterday. Vol-
ume a million and a quarter, sand
twenty feet. The same company
made two locations yesterday in the
same field No. 1 Longshore and No.
1 D. D. Clark.—Johnstown Independent.

Restored to Owner.
Two Cleveland checks found by
Charles C. Rider of this city, and
sent to the Advocate office to be
advertised, have been forwarded to
the owner, a student in Shepardson
college at Granville.

Chauteauqua for Pataskala.
Pataskala is assured of a Lincoln
Chauteauqua next year. One hun-
dred people of the community are
guaranteeing the Chauteauqua.

Long Ambulance Trip.
The Bradley ambulance made a
long trip Wednesday, removing Mrs.
Leavitt, mother of Miss Florence
Leavitt, from Somerset to the home
of relatives in Columbus. The trip
was made via Lancaster. Mrs.
Leavitt has been ill for several
weeks.

Baby Girl Born.
Mr. and Mrs. Jesse Ricketts of
Newark are the parents of a baby
girl, born at the home of Mrs. Rick-
etts' parents, Mr. and Mrs. A. J. Mc-
Nally of North Seventh street. Mrs.
Ricketts was formerly Miss Agnes
McNally.—Zanesville Signal.

REFUSED

INJUNCTION TO RESTRAIN THE
CLOSING UP OF THE OLD
MARKET HOUSE.

Judge Fulton Decided Case Upon
Demurrer and Gave 30 Days
to Appeal—Court News.

In the case of George Welsant et
al., against the Peoples Market Co.,
in which the plaintiffs seek to enjoin
the defendant from closing up the
old market house on West Main
street and for an accounting of the
funds now in the hands of the Market
Company and which was submitted
yesterday to Judge Fulton upon a
demurrer to the petition, the Court,
this morning, in an opinion rendered,
refused to grant the plaintiffs the in-
junction asked, giving thirty days to
the Company in which to answer and
fixed the bond for appeal in the sum
of \$200.

There will be no court on the 22nd
day of September owing to the
dedication of the Pythian Temple.
The cases assigned for this date will
be set for trial the 23rd.

township, \$1,000, etc.
Mr. and Mrs. Wright D. Wyeth to
Emma Morse, lot 31, Hudson Park
addition, \$1,000.

Marriage Licenses.
Christian D. Gundy, 36, clerk,
Kirkersville, and Dora Bell Hilly,
Newark.

John A. Miller, 23, farmer, Black
Hand, and Goldie Pisk, 21, Wilkins
Corners.
Robert Kelly, 40, lumberman,
Superior, Wis. and Charlotte Thrus-
ton Webb, 24, Newark.

Admitted to Probate.
The last will and testament of
Mary S. Mattingly, of Johnstown,
was admitted to probate Thursday
morning. Joseph H. Mattingly was
named as executor.

Cruelty Alleged.
Bessie Hamilton in her petition for
divorce from Wilber Hamilton, filed
by her attorney Joseph Horner in the
common pleas court, gives for her
cause of action that she and her
child Carl, age two years and six
months, have been compelled to live
by the assistance of her mother and
her father-in-law and that all the
clothing she and her child have
worn since marriage has been fur-
nished by her mother and father-in-
law. She further alleges that the
defendant has abused her by chok-
ing and striking her and calling her
vile and indecent names, that he
spends his money for alcoholic liquor
and is frequently intoxicated. She
asks divorce, custody and control of
their child, reasonable alimony and
that the defendant be enjoined from
interfering with her child or prop-
erty.

Answer in Damage Case.
An answer and cross petition has
been filed in common pleas court by
Attorneys Kibler and Kibler for the
defendant in the case of Philip G.
Shaw against Justin Keeley.

On September 7, Keeley while
riding with his wife on his motorcy-
cle on the Newark and Columbus
road ran into Philip G. Shaw, who
was on foot. Shaw brought suit
against Keeley for damages, which
the former alleges he incurred by
the collision.

In his answer and cross petition
Keeley alleges that the accident was
due to the negligence of the plain-
tiff, who ran across the road in
front of the defendant's motorcycle.
Keeley further alleges that the
tire and inner tube of his machine
were destroyed, that he was bruised
and sick and confined to the house
for three weeks and that he incur-
red a loss in his business thereby.
The defendant fixes the damage to
his machine at \$25.00, damage to
his clothing at \$25.00, doctor's bill
at \$20.00 and asks as total damages
\$100.00, which includes the loss to
his business by reason of his being
disabled. The defendant also states
that he was free from negligence at
the time of the accident.

Judge Jewell's Home Entered.
When Judge Harry W. Jewell re-
turned to his home on Oak Hill ave-
nue Monday afternoon, after spend-
ing the summer at his country place
near Centerburg, he found the house
completely ransacked from top to
bottom and the contents of trunks
and drawers strewn in utter con-
fusion on the floors.

NOW YOUR
CORN MUST GO

Dr. Hunt Discovers Method that Kills
Corns by Penetration. ONLY 10c.

That old corn, that stubborn corn, that
soft corn, that sore corn, the corn that will
come back, you can now get rid of it once
and for all, for Dr. Hunt of Sidney, Ohio,
has discovered the scientific principle that
makes corns go easily and painlessly.

Dr. Hunt's New Corn Cure does its work
by penetration. That is Nature's own way.
Goes to the very root of the corn. Corn lifts
out, root, body and branch in two days.

No paring. No dangerous caustic in-
gredients. No liquids to dry out. No
pasty pads or greasy salves. Dr. Hunt's
New Corn Cure comes in ready-to-apply
plaster form. Trim plaster exact size of corn
and apply. More than two applications are
seldom necessary for the most stubborn case.
Your corn eases up at once. The soothing
penetrating ingredient works without dis-
comfort. In two days you have no corn.
This is a doctor's discovery. The result of
life-time study.

And a box-full costs you only ten cents.
Guaranteed or money refunded. Sold by
all druggists and shoe dealers. Or, send ten
cents in stamps to American Chemical
Company, Sidney, Ohio.
Large box containing 20 plasters, 25c.

Two windows
in the rear of the house and all the
doors were found open. When the
house was entered is not known, as
it has been unoccupied during the
summer. The peculiar feature of the
affair is that a large quantity of sil-
verware, a gold watch chain, and a
locket set with a diamond, which
were in the house remained un-
touched, and, as far as Mr. Jewell
could ascertain, nothing had been
taken. A steel instrument about one
foot in length, supposed to be the
property of the intruder, was found
in the house during the investigation
by the police.—Delaware Gazette.

A Clogged System Needs Attention.
Are you bilious, dizzy and listless?
Dr. King's New Life Pills taken at
once seizes upon constipation and
starts the bowels moving naturally
and easily. Moreover it acts without
gripping. Neglect of a clogged sys-
tem often leads to most serious com-
plications. Poisonous matters and
a body poorly functioning need im-
mediate attention. If you wish to
wake up tomorrow morning happy
in mind and entirely satisfied, start
your treatment tonight. 25c. a bottle.

"Perfection in Weavery" Describes Hardwick Wilton Rugs

Accurately, for they combine every known feature of Wilton excellence together with certain entirely new principles that make possible the most exquisite patterns and the most delicate colorings, yet with remarkable durability. The pile of Hardwick Wilton Rugs is closer than any other Wilton made, and they will always lie flat and smooth, never wrinkling, creeping or curling at the edges. The designs and colorings are beautiful, all colors being shown and the big range of sizes in which this rug is made, make it possible to fit any room, no matter what its size or shape may be. The prices of the Hardwick Wilton Rugs, are most reasonable, especially when the quality is considered. We feature the

FRESHMEN

CLASS AT DENISON UNIVERSITY WILL BE LARGER THAN EVER BEFORE

One Hundred and Twenty-two Young Men and Women Registered Wednesday for Entrance.

(Special to Advocate.) Granville, Sept. 16.—Yesterday was registration day at Denison University, possibly the hottest one in the history of the institution. But despite the heat there was great activity in the neighborhood of the registrar. Sheperdson College registered fifty-one freshmen and Denison 71 freshmen, which would indicate that the freshman class is to be larger than ever before.

The members of the Kappa Phi sorority delightfully entertained the pledged members at an informal reception in the chapter house last evening, those assuming the colors being: Misses Harriet Swetland, Mt. Union; Juliet Barker, Cambridge; Florence Stacey, Chicago; Marjorie Hamilton, Kankakee, Ill.; Janet Pond, Somerset; Lora Farmer, Zanesville; Beulah Nott, Marietta; Ruth Atwell, Zanesville.

The Women's Missionary society of the Presbyterian church will meet at the home of Mrs. A. R. Wright in Elm street, Friday afternoon, September 17, at half past two. A large attendance is expected, as the Presbyterian president, Mrs. W. D. Fulton of Newark is to address the meeting. Mrs. William Howe, the local president, will conduct the meeting.

The women of the Baptist congregation are to be entertained in the parlors of the church tomorrow (Friday) afternoon by Mrs. Frank Carney, Mrs. Clara Baker, Miss Blanche La Ferre and Miss Charlotte Clarke, and an enjoyable time is promised all concerned. The affairs of the Social Union will be considered during the hour beginning at half past two. Needlework is in order and a cordial invitation is extended to all interested in this social part of the church service.

The opening meeting of the Travelers' club is booked for Monday afternoon, September 20 at 2 o'clock in the parlors of the Baptist church. It is expected that there will be a full attendance to greet the new president, Mrs. M. E. Stickney.

The Y. W. C. A. girls of Sheperdson college will hold a reception in Stone Hall Friday evening, September 17, in welcome and greeting to the new girls. It is an honored custom and one worthy of praise. Miss Katherine Olney is the president of the Sheperdson Y. W. C. A. for the ensuing year.

Mrs. E. E. Haskins of the Buxton House entertained the younger members of the faculty set at an informal but delightful reception last evening, complimenting Prof. and Mrs. Fish, who have been guests of the house since their arrival in Granville. Punch was served during the evening and light refreshments were passed. Prof. and Mrs. Fish will locate in West Broadway.

Prof. and Mrs. Johnston are already living in East Broadway. Mr. S. B. Briery of Chicago, president of the Denison Alumni Bulletin, expects to be in Granville Saturday. He will be present at the organization of the Canton-Denison club Friday evening and will not return to Chicago without at least a look at Old Denison.

Mr. Earl T. Wolfe of Benton Harbor, Mich., has been renewing old friendships in Granville and stopping at his old headquarters, the Sigma Chi house, for a few days before going on to Dayton where his marriage to Miss Irene Shenberger of that city will be solemnized on the twenty-first of September.

The Winter Picnic club enjoyed a most delightful outing yesterday at the fine old country residence of Mr. and Mrs. David Owen on the Berg street road, three miles from Granville, where it seldom is too hot nor too cold for perfect comfort. A splendid noon dinner was served under direction of the club's social committee.

Mrs. J. E. Miller of Toledo, and Mrs. George W. Hobart of Peoria, Kansas, arrived today at the home of their brother, Mr. E. F. Hobart on the Newark road, where they will remain for a brief visit.

Mrs. W. A. Chamberlin has arrived home after a delightful sojourn with relatives in Denver, Colo.

BRITISH DETAIN NEUTRAL SHIPS

(Associated Press Telegram) London, Sept. 16.—The American tank steamer Muskegon, from New Orleans, for Gothenburg, and the Danish steamer Polaris, from Baltimore for Gothenburg, has been detained by the British authorities. The Swedish steamer Sir Ernest Cassel has been released.

IT RUINS HAIR TO WASH IT WITH SOAP

Soap should be used very sparingly. If at all, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle and ruins it.

The best thing for steady use is just ordinary mulsed coconut oil (which is pure and greaseless), is cheaper and better than soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly and it leaves the scalp soft, lustrous, fluffy and easy to manage.

You can get mulsed coconut oil at any pharmacy, and a few ounces will supply every member of the family for months.

TABLETS

CONTAINING POISON SWALLOWED BY PROMINENT RAILROAD FINANCIER.

Took Medicine as He Supposed for Headache—Prompt Measures Will Save His Life.

(Associated Press Telegram) New York, Sept. 16.—Newman Erb, wealthy financier and railroad re-organizer, who swallowed two poison tablets by mistake, is today confined to his summer home at Deal, N. J., calmly awaiting the outcome of the efforts being made by three specialists to save his life. He spent a comfortable night, is virtually free from pain and entirely conscious.

The physicians hope that the prompt rejection of the poison by the stomach and the first aid rendered by Mr. Erb's valet prevented all but a small amount of the poison from entering the financier's system.

Every possible effort is being made to counteract the effects of any poison that may be in his system. The operation of scraping the kidneys which has often proved successful in similar cases of poisoning will not be resorted to in this case, it was said, on account of Mr. Erb's age, 65 years.

Mr. Erb's family today explained how he came to take the poison. He was returning to Deal from New York, having spent the previous day and night in Philadelphia. In his traveling bag he carried a bottle of headache tablets and another containing poison tablets which he used in making a wash for an injured foot. Mr. Erb had a headache when he boarded the train and took two tablets from one of the bottles. A short time later he was taken ill. The conductor sent a message to Mr. Erb's home and his valet met him at the station. Because of his prominence in the railroad and financial world, Mr. Erb's case is attracting much attention.

CAMP-FIRE BY D. OF V. TO BE HELD FRIDAY EVENING

A Grand Camp-fire will be held at G. A. R. hall, Friday evening, Sept. 17, under the auspices of the Daughters of Veterans in honor of the gallant 76th and 30th regiments O. V. V. I. to which the public is cordially invited. Following is the program commencing promptly at 7:30.

CARLOADS OF PEACHES INTO GARBAGE HEAPS

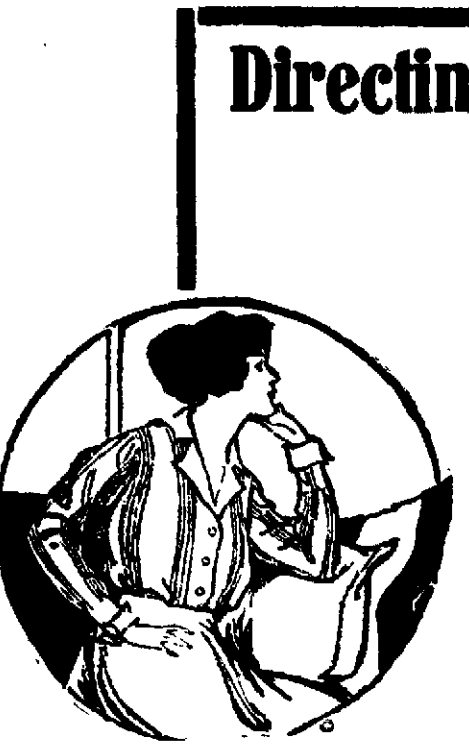

(Associated Press Telegram) Chicago, Sept. 16.—Entire carloads of peaches from neighboring states have been carted off to garbage heaps, a total loss to the shippers and producers, because no market could be found for them, according to reports of commission merchants today. Growers were called to pay the freight and cartage charges. One commission man, who wired that he owed \$18.50 for cartage received this reply:

"Have no money but will send another car of peaches in settlement."

"Hold the peaches," wired the commission merchant.

Short and Sweet. Made—Long engagements are not fashionable these days. Majorie—Oh, well, neither are long marriages.—Judge.

CHANGES

AGAIN THE ORDER IN THE CONTESTS DURING WEEK OF CARNIVAL.

Crowds Are Increasing, Wednesday Night's Being the Largest Yet on Grounds.

There was considerable change in the Moose carnival contests again today. The lists are in the advertisement today as before. Most of the contestants earned some free votes, so the committee wishes to announce that they will give 300 gratis votes to the contestant making the greatest increase by 9 o'clock p. m. Thursday. Votes may be turned in as late as 10 p. m. out at the country store at the carnival.

The crowd attending the carnival was even larger than before last night, the weather is just right for outdoor amusements and everybody had a good time.

The Moose committee has arranged for a special matinee on Saturday for the children, so many of them have been unable to go during the week because of school.

So Saturday will be the day for the kiddies to come and bring all their big brothers and sisters, and all the grown-ups in the family. The two contests will close, and it will be the biggest day of the carnival altogether.

CONG. ASHBROOK WILL SPEAK AT JOINT REUNION

The committee in charge of the program for the joint reunion of the 76th and 30th regiments, Ohio volunteer infantry, which will be held here tomorrow, has arranged with Congressman W. A. Ashbrook to deliver an address before the veterans at the afternoon session. Congressman Ashbrook notified the committee late Wednesday of his acceptance of the invitation to speak.

This reunion will be attended by more than 70 of the survivors of the 76th, a Licking county regiment and more than 30 survivors of the 30th, which was recruited largely in the southern part of the state.

Mayor Bigbee has requested that citizens and business men display the American flag in honor of the veterans.

HAITIAN THINKS PROPOSED PACT IS MOST UNFAIR

(Associated Press Telegram) New York, Sept. 16.—Ernest Chauvet, editor of a newspaper of Port au Prince, Haiti, who says he was sent here unofficially by the Haitian government, announced today that he had addressed a letter to President Wilson declaring that the proposed convention between the United States and Haiti for the control of Haitian finances, is "unfair in the extreme."

Mr. Chauvet said also that he had sent a circular letter to the same effect to members of congress.

Looking for a Change. "I think we should go away for a change, dear."

"Why? You are not run down or tired out."

"No, but I shall be by the time I've done the packing."—London Mail.
